

Health Emergency Ready Oregon (HERO) Kids: Making Every Moment Count

A voluntary registry for ALL kids!

[HERO Kids](#) gives EMS and ED providers real-time access to **key health information** for registered children.

HERO Kids bridges the information gap for EMS and EDs, giving them the information they need about special health considerations.

“I want them to know that my child is not able to follow directions the way they might like. He might answer questions but not know what he is answering.” - Oregon parent

Highlights:

- 24/7 access for EMS agencies and EDs
 - Hotline, app, and direct linkage with EMS electronic patient care records and Emergency Department Information Exchange (EDIE)
- Based on proven [Oregon POLST Registry](#) technology and infrastructure
- Registration is family-driven
- Partnership between [OCCYSHN](#), [Oregon EMSC](#), Oregon families, and numerous other stakeholders
- Administered by [Oregon Health & Science University](#)
- Funded by: OCCYSHN (Title V), EIIC Telehealth Collaborative, HRSA Emerging Needs, Oregon Health Authority
- Anticipated launch: 2022
