

2019 EMSC All Grantee Meeting: A Journey to Improve Pediatric Emergency Care Emergency Preparedness and Transition Planning for CYSHCN from the Family Perspective Suggested Resources

For Emergency Planning, the **National Pediatric Disaster Coalition** has a fantastic collection of resources addressing the possible needs of CYSHCN, childcare facilities, foster families, pregnant and nursing mothers, etc. In addition to our own EMSC Improvement Center toolkits, you may find other models, templates or protocols that suit your specific need, region or population.
